

Microsoft Imagine Azure for Students Activation Instructions

Note: To avoid general issues, using **InPrivate/Incognito** browsing is recommended.

Azure Activation for New Users

Follow the steps below to Activate your Azure subscription:

1- Sign in to the [Microsoft Imagine website](https://imagine.microsoft.com/en-us/Catalog/Product/99) with your Microsoft account.

The screenshot shows the Microsoft Azure for Students website. The browser address bar displays the URL <https://imagine.microsoft.com/en-us/Catalog/Product/99>. The page features a navigation bar with links for Technologies, Documentation, Resources, Account, Downloads, Code, Compete, About, and Blog. The main heading is "Microsoft Azure for Students". Below the heading, there is a "Register now" button and a "Sign in to Access" button. The page also includes text about verifying academic enrollment, benefits for students, and information about Azure App Services and Mobile Apps Quirkstart!

If you do not yet have a Microsoft account, click **Create One** to create it first.

The screenshot shows the Microsoft Sign in page. It features the Microsoft logo at the top left. Below the logo, the text "Sign in" is displayed. There is a text input field with the placeholder text "Email, phone, or Skype". Below the input field is a blue "Next" button. At the bottom of the page, there is a link that says "No account? [Create one!](#)".

Microsoft Azure for Students

Verify your academic enrollment with Microsoft Imagine and start hosting web apps in Azure!

Register now

Please verify your student status

Note: If you have already registered for the Microsoft Azure for Students offer, go directly to <http://portal.azure.com> to continue using your free access.

The following Microsoft Azure benefits are available now for validated Microsoft Imagine students at no cost and no commitment, with no time limit and they **do not require a payment instrument like a credit card**. You can upgrade to more services later if you want, but you can

Microsoft Imagine gets you started with the Microsoft Azure services you need to develop in the cloud at no cost.

Web or mobile developer?

Try [Azure App Services](#), a fully-managed cloud offering that enables you to build and deploy native and web apps in minutes. Use the technology you love – [ASP.NET](#), [Java](#), [PHP](#), [Node.js](#) or [Python](#). Set up deployment workflows with [VSO](#), [GitHub](#), [TeamCity](#), [Hudson](#) or [BitBucket](#) to automatically build, test and deploy your web app.

Add a variety of essential app services including authentication, social integration, offline data sync, and more, regardless of whether your app runs on [Windows 10](#), [iOS](#), or [Android](#). Accelerate your mobile app development with [Mobile Apps Quickstart!](#)

[Notification Hubs](#) keep your app in-touch with users with push notifications tailored by audience, language, and location using any back-end, and major mobile platforms.

3- Verify student status using one of the verification methods:

Student Verification

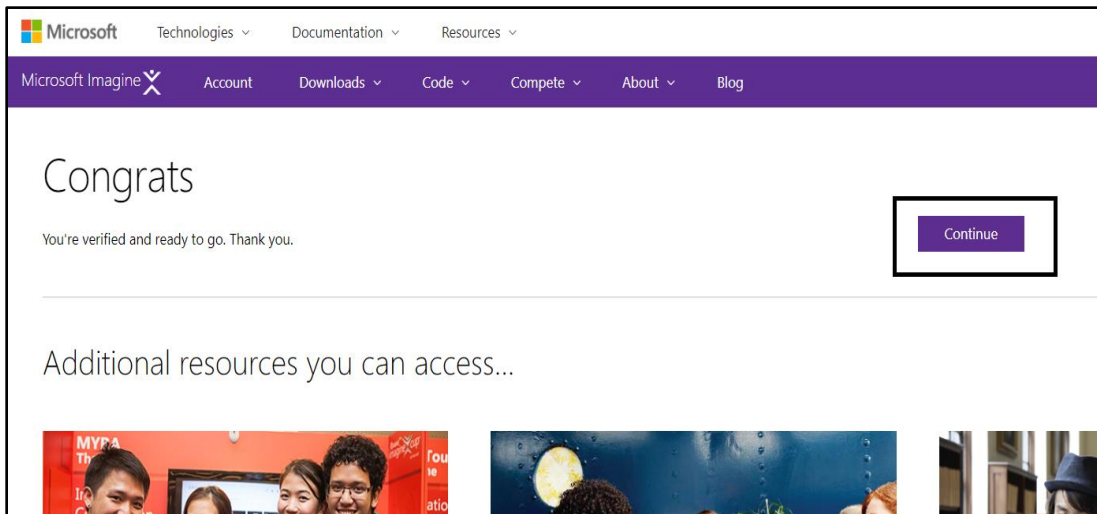

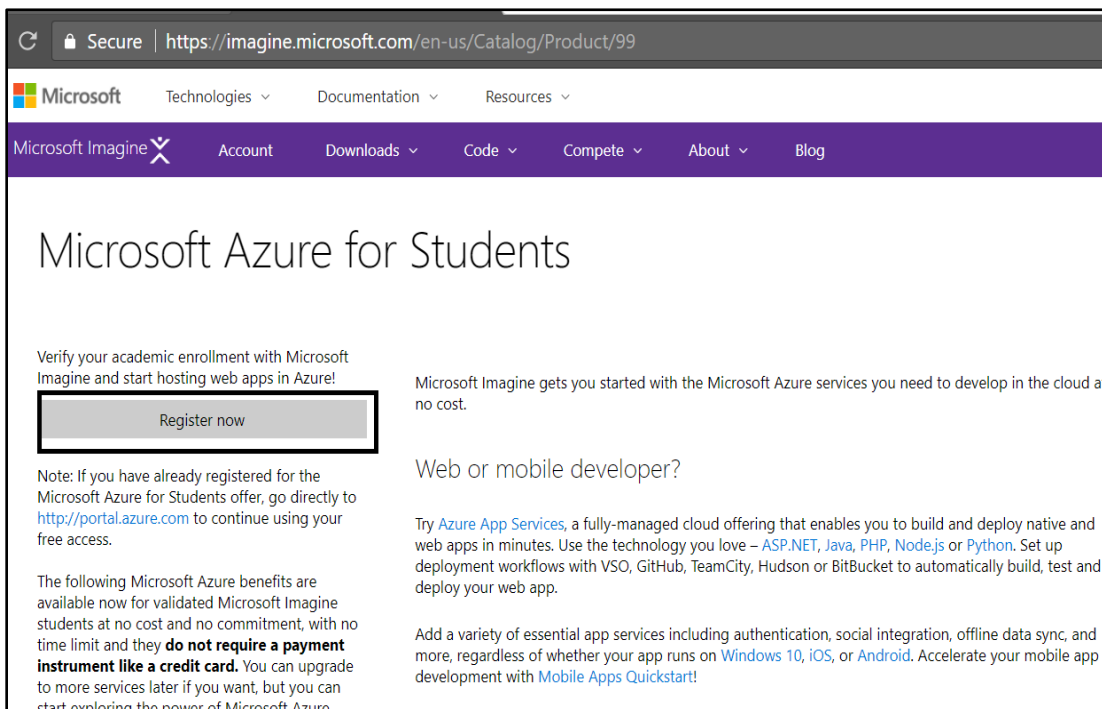

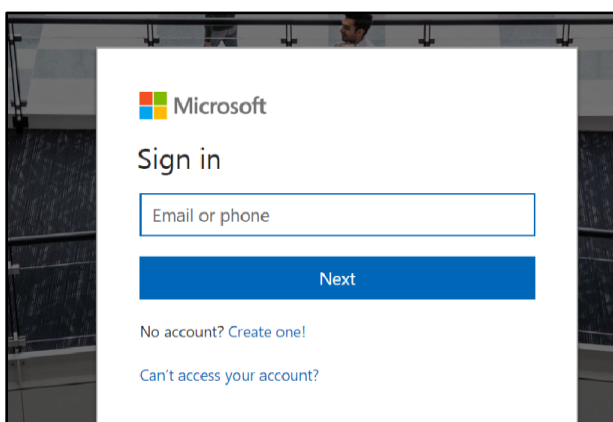

Verify your student status

Verified students get full access to all our software and services at no cost. You can re-verify your status every year as long as you're a student. See [benefits](#) for more information.

How you would like to verify your student status?

- School email address
- School login with Shibboleth
- International Student Identity Card (ISIC)
- Microsoft Imagine Verification Code
- Upload my school enrollment document

Microsoft Imagine Azure for Students Activation Instructions

4- Click **Continue**.5- Click **Register now**.6- Sign in with your **personal Microsoft account(MSA)**.

Microsoft Imagine Azure for Students Activation Instructions

7- Fill out the application and click "Sign Up". Your Azure for Students benefit is registered, and you are all set.

The screenshot shows the Microsoft Azure Sign up page. The page is titled "Sign up" and has a navigation bar with "Microsoft Azure" on the left and "Sign Out" on the right. The main content area is divided into three steps: 1. About you, 2. Identity verification by phone, and 3. Agreement. The "About you" step is currently active and contains the following fields:

- Country/Region: United States
- First Name: Amber
- Last Name: Bhargava
- Email address for important notifications: - someone@example.com -
- Work Phone: Example: (425) 555-0100
- Organization: - Optional -

There is a "Next" button below the "Organization" field and a "Sign up" button at the bottom of the page.

Note: If you followed the instructions above and received the following error message, use one of the solutions below:

The screenshot shows the Microsoft Azure Sign up page with an error message. The page is titled "Sign up" and has a navigation bar with "Microsoft Azure" on the left and "Sign up" on the right. The main content area is divided into two sections: "Sign up" and "Microsoft Azure". The "Sign up" section contains the following text:

Oops!

MICROSOFT IMAGINE IS NOT AVAILABLE.

This offer is only available to Microsoft Imagine members.

WHAT CAN I DO?

- Sign up for a different offer (Free Trial)

Select another Country/Region

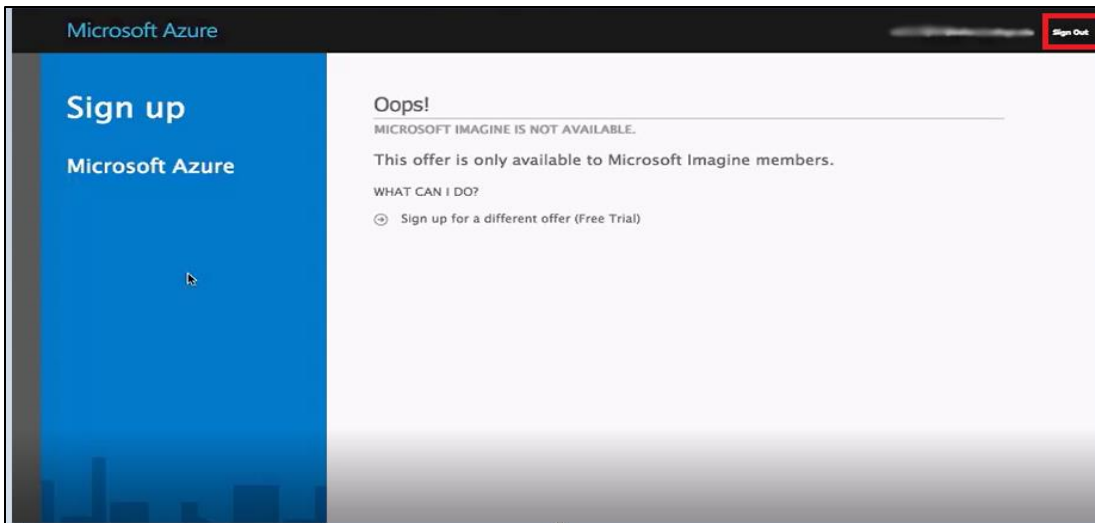

United States

Solution 1:

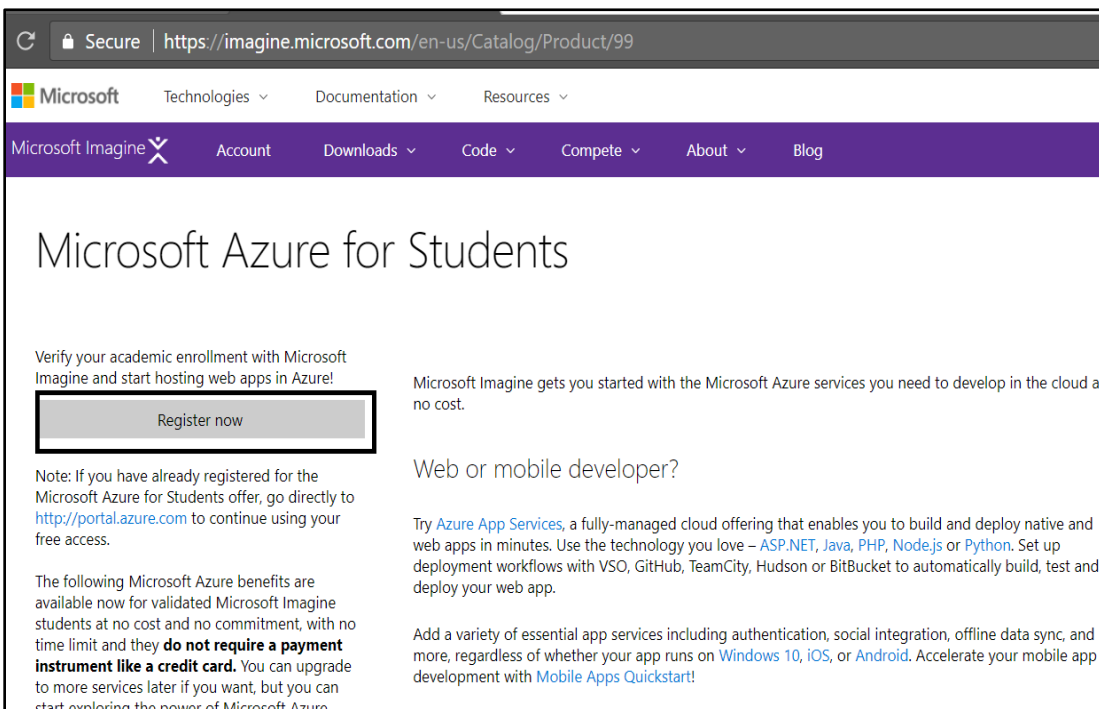

This can happen if you've signed in with your school account instead of your personal Microsoft Account you've used to register for this offer. In this case you need to sign-in again with your Microsoft Account

1- Sign out from the Azure Portal.

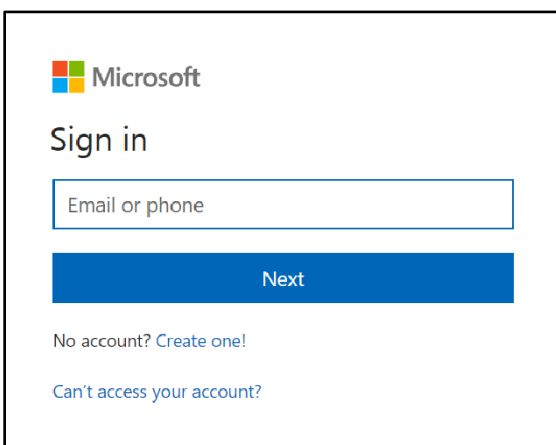

Microsoft Imagine Azure for Students Activation Instructions

2- Open an **InPrivate** or **InCognito** browser and click on the Azure Offer [link](#) to register.

3- Sign in using your **Personal Account(MSA)**.

Solution 2:

This can happen when your student's status verification has not been completed successfully.

1- Follow the steps to complete the verification:

- 1) Edit the profile including school information
- 2) Click the link to "I Accept"
